Emergency Preparedness and "Ready Go" (Attachment)

At the April, 2025, General Conference, there were a number of messages that focused on the parable of the 10 virgins, and messages that focused on preparation. While our most important preparation is spiritual preparation by developing faith in Jesus Christ and making and keeping covenants, we also want to emphasize the importance of temporal preparation. This can include having some basic, life-sustaining supplies in the event of an emergency. Don and Cathy Brown, our stake emergency preparedness leaders, and the stake presidency would like our stake members to focus on a 4 day "Ready Go" collection of emergency supplies. Even starting with something basic (shoes/clothes in a bag, important documents in one place) is important, and we encourage efforts to make progress. There is an attached list with ideas to help. May the Lord bless us as we strive to be prepared.

Kevin S. Hamilton, of the Seventy:

“There was a time in the not so distant past when Latter-day Saints often perceived family history as a hobby or task for every family’s ‘Aunt Sally’.

With today’s technology and online tools, those days are officially gone.

The goal at FamilySearch has been to make it so easy that even children can do it. Everybody can do it.”

Gathering Israel on Both Sides of the Veil – Temple Workers Needed

In the previous General Conference, President Nelson spoke of how the temple spiritually empowers us to meet life's challenges. Those who serve and worship in temples can:

Expect to receive answers to prayer, personal revelation, greater faith, strength, comfort, increased knowledge, and increased power.

“Regular temple worship will enhance the way you see yourself and how you fit into God’s magnificent plan.”

“Nothing will protect you more as you encounter the world’s mists of darkness. Nothing will bolster your testimony of the Lord Jesus Christ and His Atonement or help you understand God’s magnificent plan more. Nothing will soothe your spirit more during times of pain. Nothing will open the heavens more. Nothing!”

The Stake Presidency invites you to prayerfully consider serving as a temple ordinance worker. The Jordan River Temple is in significant need of male temple workers. Thank you to all who have responded to this request or are participating through your personal temple service.
