✨ Stake Vision: I Am a Disciple of Jesus Christ ✨

"Faith in Jesus Christ is a gift, but receiving it is a conscious choice that requires a commitment of all our might, mind, and strength. It is a practice of every day, every hour." — Elder Dieter F. Uchtdorf, October 2025

❶ Emergency Preparedness and "Ready Go" (attachment)

At the April 2025 General Conference, there were a number of messages that focused on the parable of the 10 virgins and on preparation. While our most important preparation is spiritual—developing faith in Jesus Christ and making and keeping covenants—we also want to emphasize the importance of temporal preparation.

Don and Cathy Brown, our stake emergency preparedness leaders, and the stake presidency would like our stake members to focus on a 4-day "Ready Go" collection of emergency supplies. Even starting with something basic (shoes/clothes in a bag, important documents in one place) is important. There is an attached list with ideas to help.

Gathering Israel on Both Sides of the Veil – Temple Workers Needed

In the previous General Conference, President Nelson spoke of how the temple spiritually empowers us to meet life's challenges. Those who serve and worship in temples can expect to receive answers to prayer, personal revelation, greater faith, strength, comfort, increased knowledge, and increased power.

"Regular temple worship will enhance the way you see yourself and how you fit into God's magnificent plan. Nothing will protect you more as you encounter the world's mists of darkness. Nothing will bolster your testimony of the Lord Jesus Christ and His Atonement or help you understand God's magnificent plan more. Nothing will soothe your spirit more during times of pain. Nothing will open the heavens more. Nothing!"

The Stake Presidency invites you to prayerfully consider serving as a temple ordinance worker. The Jordan River Temple is in significant need of male temple workers.
